Education – Arizona State University

Master of Education, Educational Administration & Supervision

May 2013

Bachelor of Arts, Special Education

December 2008

Professional Experience

Web Designer and Developer- JonnyDdesign.com

July 2022 – Present

- Utilized HTML, CSS, and JavaScript to design and develop my portfolio site. My main focus was to design a site that would be visually appealing, concise, and responsive on all devices. Additionally, my goal was to write clean, semantic code, that would be accessible to anyone and everyone.

Valuation Trainee - Steele & Associates

October 2016 – July 2022

- Assisted senior appraiser with analytical research skills to develop high quality appraisal reports.
- Composed entire appraisal reports, including a succinct introduction, a specific area and neighborhood analysis, a detailed site and improvement analysis, a brief zoning analysis, a market and tenant analysis, and a comprehensive approach to market value.
- Analyzed extensive property information, including, rent rolls, operating statements, leases, surveys, phase I and property condition reports, zoning reports, and title reports.

Valuation Associate - CBRE

October 2014 – October 2016

- Wrote entire front ends for all senior appraiser reports, including a concise introduction, a detailed area and neighborhood analysis, a succinct site and improvement analysis, a brief zoning analysis, and a market and tenant analysis.
- Evaluated and organized specific property information for complex office properties.

Special Education Language Arts Teacher - Mesa Public Schools

August 2009 – October 2014

- Developed and implemented engaging, effective lessons for a heterogeneous group of 7th-8th grade students with a variety of needs to improve their reading and writing skills.
- Identified, developed, and wrote individualized educational plans for students with learning disabilities.
- Analyzed student performance data to establish a plan of action to achieve individualized student goals.
